

Aster Pendant

images 1, 2, 3 —
Alabaster, Brushed Aluminum

The Aster Pendant is composed of two parts: a sliced natural alabaster stone, and a brushed aluminum pendant light. The simplicity of these two elements play off of one another, exploring how light falls on both the rough exterior of the stone and the smooth shine of the sliced edge.

Stone	Alabaster
Metal Base	Brushed Brass, Blackened Brass, Brushed Aluminum, Brushed Nickel
Dimensions	20" × 24" × 78" Can be Sold as a Pair
