

# Coexist Bench Redux

images 1, 2, 3 —  
Oxblood Lacquer, Mohair

The Coexist Bench uses balance and delicate harmony of materials meeting. The pieces fit together seamlessly, with the cubes holding up each end of the piece. There is no hardware used to hold the piece together, rather precision fitting and engineering allows for the parts to rely upon one another to exist - hence Coexist.

**Cube Legs** Lacquer: Oxblood, Chocolate, Midnight

**Upholstery** COM

**Dimensions**  
80"L × 24"W × 18"H  
96"L × 24"W × 18"H  
108"L × 24"W × 18"H
