Cipollino Marble, Brushed Aluminum,  
Stainless Steel Hardware

Each Lino table is a one-of-a-kind piece that celebrates the beauty in imperfection. Crafted from strong-veined marble, its distinctive design highlights a natural fracture in the stone. Artfully juxtaposed with smooth edges and gentle contours, this broken slab is reimagined as a timeless work of art. The Lino Table is expertly bound together with sleek aluminum hardware, an innovative construction that allows for simple disassembly and flat packing.
